

CONSTRUCTION UPDATE

Bridge File 8807

Road Deficiency Repairs

Watercourse – Township Road 662A

Dear Property Owners/Residents:

Lac La Biche County contracted Plains Constructors Canada Ltd. to replace the existing bridge on Township Road 662A, which crosses a watercourse that connects Kinosi Lake and Missawabi Lake. Please see the attached map for the location of the bridge crossing.

Although bridge construction was completed earlier than expected, the newly built road was found to be deficient and requires repairs to ensure public safety.

Township Road 662A (which begins with Range Road 161 and transitions to Township Road 663A, Township Road 662A, and Township Road 661) will be temporarily affected for the duration of this work. Single-lane traffic will be maintained for the public through the construction zone, and may be directed by on-site workers as required.

Plains Constructors Canada Ltd. is returning to the area and will work diligently to fully re-open the road as soon as possible.

Timeline: October 12 to October 16, 2023 (weather dependent)

Scope of Work: Roadway Repair

Hours of Work: 7:00 a.m. to 7:00 p.m. (Monday through Sunday)

Impact to Residents and Local Traffic:

- Single-lane traffic will be maintained within the construction limits during construction.
- Access to local traffic will be maintained throughout construction for the nearby affected landowners.
- Construction signage and safety messages will be installed within the construction zone.
- Safety will be monitored, and dust control will be addressed during construction.
- Heavy equipment and truck traffic moving into and out of the work site.

Plains Constructors Canada Ltd. will take every precaution to ensure public safety and will need your assistance in keeping children and pets a safe distance from the construction site, staff and equipment.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact the following:
