

LAC LA BICHE MAIN STREET REVITALIZATION

CONSTRUCTION NOTICE

Main Street, between 101 Street and 102 Street, is intended to be closed for construction on **Tuesday, April 23rd until approximately October 31st, 2024.**

In **Stage 1**, 100 Street, north of 101 Avenue is tentatively planned to be closed for installations **between Tuesday, May 7th and Thursday May 9th, 2024.**

In **Stage 2**, from **Friday, May 10th to October 31st, 2024**, the 101 Street and 101 Avenue intersection will be closed, once 100 Street has reopened.

Please be aware that all construction is weather dependent. During construction, there will be modified pedestrian access and limited vehicular access. Signage for road closures and detours will be set up to direct traffic from all directions.

101 AVENUE, FROM 101 STREET TO 102 STREET AND 100 STREET (NORTH OF 101 AVENUE)

Impact to Residents and Local Traffic:

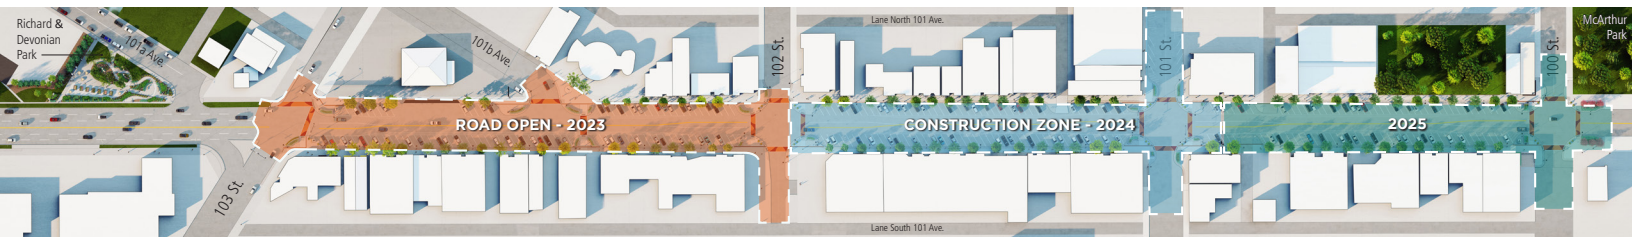

- Noise and presence of construction equipment/traffic.
- Curbside collection will not be affected. Place containers in their normal location.
- Temporary water services will be provided to affected residents and businesses. Residents are asked not to tamper with temporary water line, valves, or fittings.
- Several short-term water service interruptions will be required. Residents and business owners will be kept updated as to when these will occur.

Residents are asked to please respect all construction signage, fencing, and barricades. We ask that the public stay clear of this area.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please reach out to one of the contacts in the table to the right.

A diagram of the work area for Phase 1 and Phase 2 can be found attached to this notice.
